

Portable DAB+ Radio

A digital companion featuring state-of-the-art design: the IMPERIAL DABMAN 16 allows the reception of digital DAB+ as well as analogue FM radio signals. Although small in size, it delivers a stunning stereo sound quality and comes with quite a few interesting features (alarm clock mode, sleep timer, favourite memory) as well as a large color display featuring allowing several adjustments. The DABMAN 16 is extremely easy to operate and is, if needed, fit battery operation via 4 regular AA batteries*. It is available in two different color versions (black or white).
