

Hybrid radio

IMPERIAL® DABMAN i160

The small-sized IMPERIAL DABMAN i160 represents state-of-the-art radio technology: It receives digital DAB+, analogue FM as well as over 25.000 web radio stations. Although small-sized, it creates a solid sound experience thanks to the full range speaker featuring 10W output power, whose properties may be adjusted to individual preferences via equalizer mode. The DABMAN i160 is UPnP and DLNA compliant and comes with

a versatile USB media mode, supporting playback of different types of data as well as a state-of-the-art recording mode. Many user-friendly features, such as alarm clock, sleep timer, a multilingual menu, app control and favourite keys top off the list of its features and make the IMPERIAL DABMAN i160 an outstanding and very versatile radio.
