

Hybrid radio

IMPERIAL® DABMAN i170

The small-sized IMPERIAL DABMAN i170 combines state-of-the-art radio technology with great and modern design thanks to the 2,4" TFT colour display. The device receives digital DAB+, analogue FM as well as over 25.000 web radio stations. Although small-sized the device creates a perfect sound experience thanks to the full range speaker featuring 15W output power in combination with the DSP (digital sound processor). The IMPERIAL

DABMAN i170 is UPnP and DLNA compliant and comes with a versatile USB media mode, supporting play back of different types of data as well as a state-of-the-art record mode. Many user-friendly features, such as alarm clock mode, sleep timer, multilingual menu, app controlling and favourite keys top off the list of its features and make the IMPERIAL DABMAN i170 an outstanding and very versatile radio.

Highlights

- Small-sized hybrid radio in cutting-edge design for the reception of internetradio, DAB+ and FM
