DAB+/FM-Radio

IMPERIAL d105

The Imperial DABMAN d105 brings the digital, diverse and emotional world of radio into your home. Focused on the basics that a future-proof digital radio needs and with a solid sound output of up to 7 watts. A 2.4" color display, 4 direct selection buttons and a clear OSD menu ensure very easy

operation. With wake-up/snooze function and sleep timer the d105 can also be used as a radio alarm clock. The 5V power supply allows the radio to be operated with a power bank making the DABMAN d105 an excellent choice not only for stationary use but also for mobile use!

Highlights

- Compact DAB+/FM radio with Bluetooth (V5.1)
- Favorite memory: 30 DAB+ stations, 30 FM stations, and 4 direct selection buttons on the device
- Alarm clock and sleep timer with different modes & clear, multilingual menu navigation
- Illuminated 2.4" LCD display
- USB media player and USB charging function
- 3" speaker with 7W music output
