

# Pliers Wrench XL

**NEW**  
The unique installation tool now also in 400 mm length.  
For opening widths up to 85 mm / 3 3/8"

## Pliers and a wrench in a single tool

**!** adjustable tightening tool, also excellent for gripping, holding, pressing and bending workpieces, replaces diverse expensive, large open-end wrenches up to AF 85 mm or 3 3/8"

smooth jaws, also for damage free installation of quality union joints made from brass, red brass, stainless steel or chrome plated material

zero backlash jaw pressure prevents damage to edges of sensitive components

adjustment at the touch of a button directly on the workpiece

**!** parallel jaws give a more solid grip; the construction gives infinite adjustment of all widths up to the specified maximum size of AF 85 or 3 3/8"

- optimised adjustment to the workpiece with hand-friendly position of grips
- reliable catching of the hinge bolt: no unintentional shifting
- the action of the jaws allows quick tightening and release of bolted connections using the ratchet principle
- lever transmission greater than 10 : 1 for strong gripping power
- Chrome vanadium electric steel, forged, oil-hardened

# Pliers Wrench XL

Chemicals / oil / gas industry

Hydraulic piping

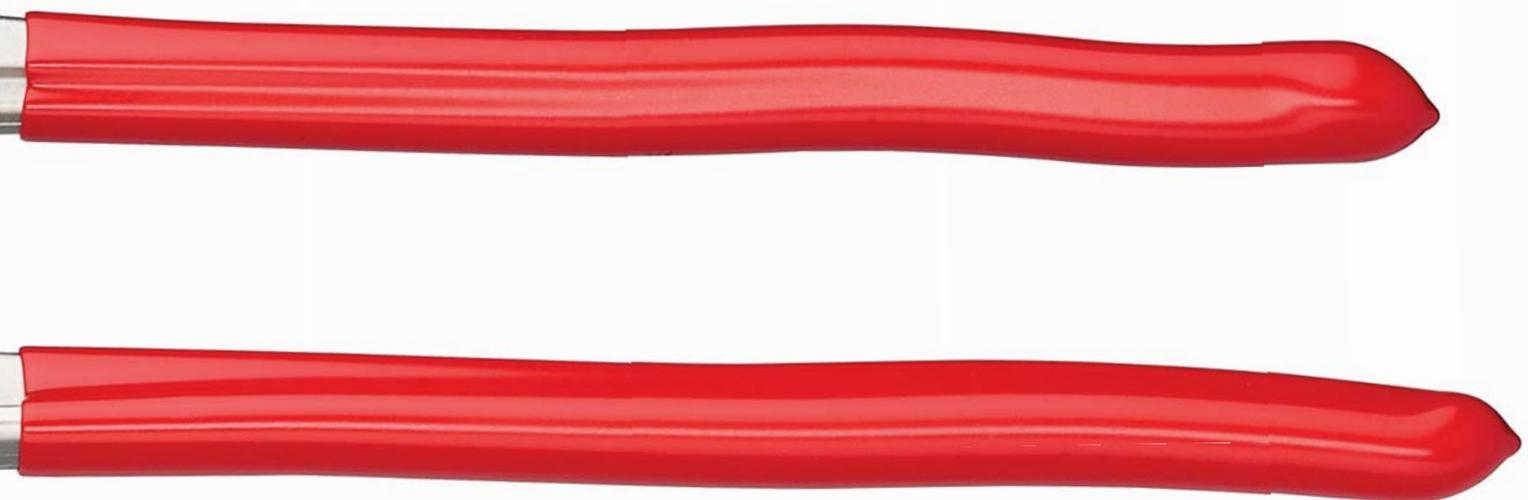

District heating / public utility companies

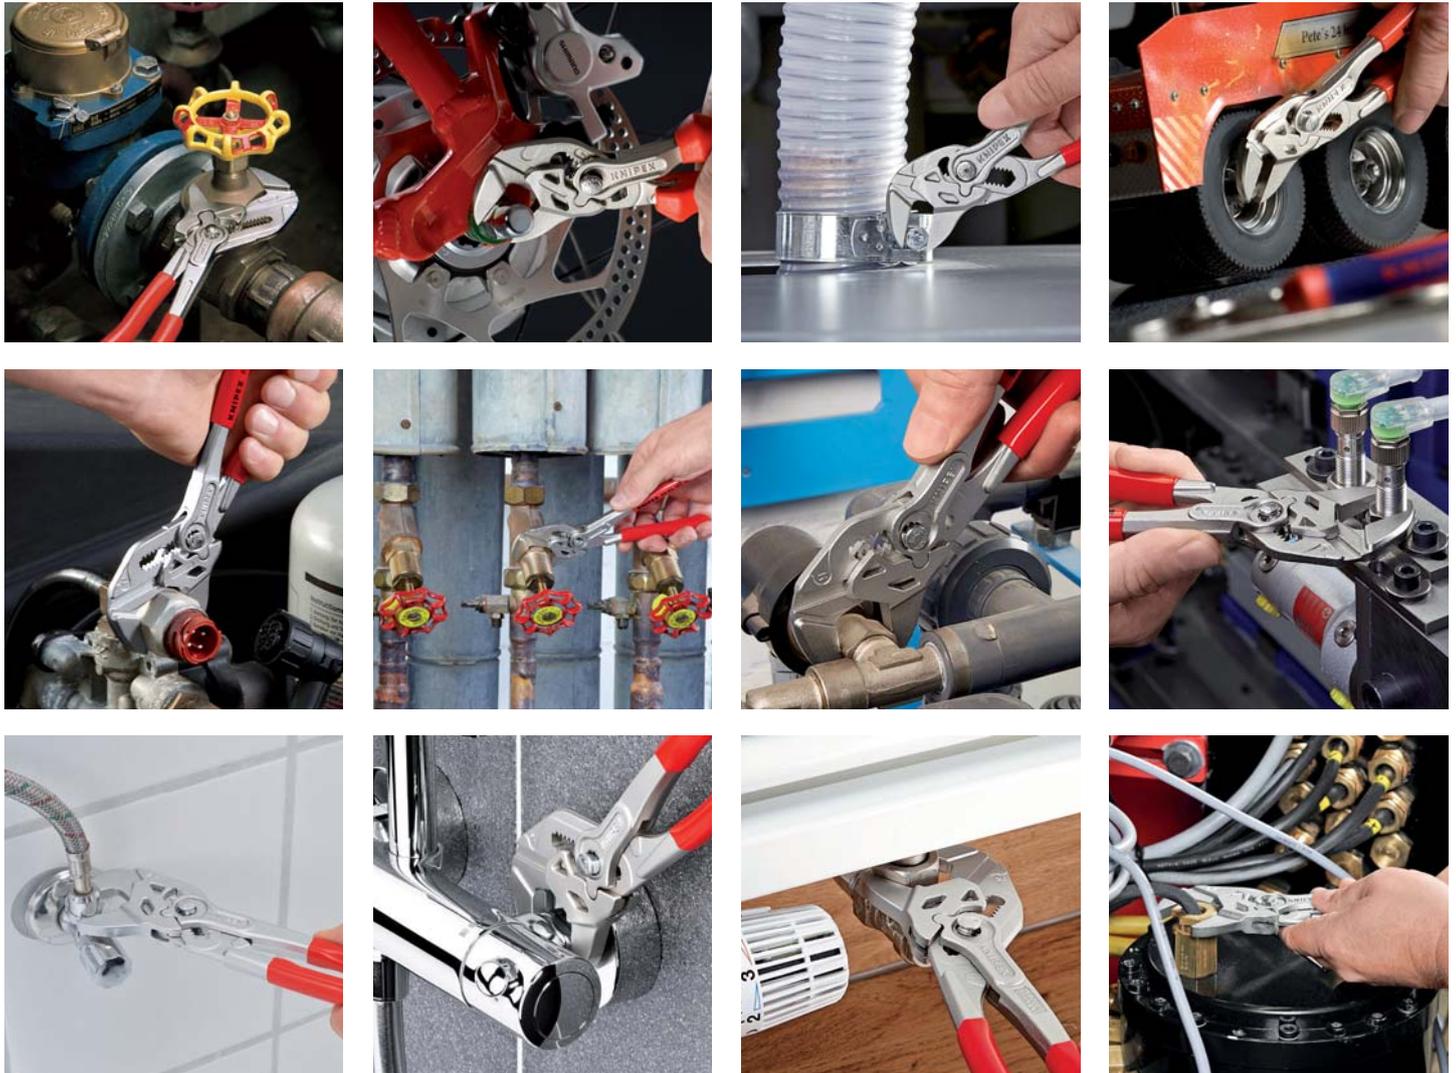

Food industry / bottling plants

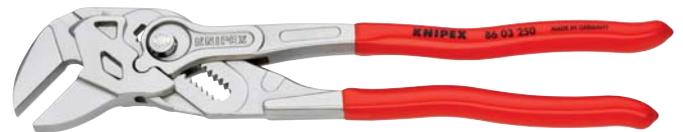

Industrial applications / cable connections

## The family for all screw joints
