

Data sheet: WL-328

Product code : WL-328
Product name : Wireless Concurrent
Dualband Router 300N X2
EAN code : 8716502019748

The Wireless Concurrent Dual-band Router 300N X2 equipped with two access points is ideal for streaming High Definition video and audio, VoIP and download applications.

The full advantage that can be taken of this dual-band router is by using the less crowded 5 GHz frequency for time sensitive traffic without any audio or video interference. It is possible to use both frequencies 2.4 GHz and 5 GHz simultaneously, with throughput up to 300 Mbps each. With the WPS button functionality, it is easy to establish a secure wireless network connection with just the push of a button.

Box content:

- Wireless Concurrent Dualband Router 300N X2
- User manual, Power adapter, UTP cable
- Driver CD Rom

System requirement:

- Ethernet ADSL or Cable Modem
- PC or notebook with 300N client adapter (recommended)

No. 12107
