

Data sheet: WL-351

Product code : WL-351
Product name : Wireless Gigabit Router 300N
EAN code : 8716502021505

Use this Wireless Gigabit Router 300N X3 to set up a wireless home/office network with superior throughput and an unparalleled wireless range. This Router enables you to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the PCs in your network. Thanks to the integrated WPS technology, this Router makes it easier than ever to connect and protect your PCs or laptops in a wireless network! Just one press of the button, and the wireless connection is established, including automatic transfer of the WPA security included in the Router.
