

# LIFT30 product information sheet

Raise your TV to fit your life! The LIFT30 allows you to raise or lower your TV to the ideal position for watching movies, gaming, exercising and more. The LIFT30 is equipped with Ergotron's patented Constant Force technology, providing fluid, light-touch adjustments for tilt and vertical movement. LIFT30 remains virtually hidden as TV glides up and down. Sit. Stand. Stretch. Play – all at the perfect height and angle.

## Product Benefits\*

- Lift and lower your TV to achieve the best picture and sound
- Move with only a light touch; no knobs or levers required
- Ideal for multipurpose rooms and TV activities
- Post-installation leveling
- Includes complete hardware kit for easy installation
