

# LIFT30X product information sheet

A multi-purpose TV needs a multipurpose mount! Easily adjust your TV's height, angle and degree of tilt, resulting in one TV that's appropriately positioned for a variety of sitting or standing activities. The LIFT30X is equipped with Ergotron's patented Constant Force technology, providing fluid, light-touch adjustments for tilt and vertical movement. LIFT30X remains virtually hidden as TV glides up and down. Sit. Stand. Stretch. Play – all at the perfect height and angle.

## Product Benefits\*

- Lift, lower, pan left-to-right and tilt your TV to achieve the best picture and sound
- Lift and lower whether nested or extended from the wall
- Move with only a light touch; no knobs or levers required
- Ideal for multipurpose rooms and TV activities
- Post-installation leveling
- Integrated channels guide wires from TV to wall
- Includes complete hardware kit for easy installation
