

HQSSH100

MANUAL (p. 2)
4 port HDMI SWITCH

ENGLISH

Introduction:

This is a digital audio/video switching device. It switches and transmits audio/video signals for devices that have a HDMI interface. This device is wireless so there are no connection wires and it is easy to control. This device allows users to enjoy high quality audio/video.

Features:

- HDMI input connector: 4x HDMI type A 19 pin female
- HDMI output connector: 1x HDMI type A 19 pin female
- Operation function: Push button or remote control
- Supports: Up to Full HD 1080p
- Supports: Deep colour 24/36bit
- Supports: LP CM/Dolby-AC3/DTS7.1/DSD
- HDMI HDCP 1.2 compliant: Any switch must pass HDCP data between source and monitor
- Plug and play: No software installation required. Installs in minutes

Setup description:

- Connects a HDMI cable to the HDMI interface connector of an output device such as a DVD player or set-top box.
- Connects the other end of the HDMI cable to the input port of this switch. Remembers which input port is connected to which device.
- Turn on the devices and TV and make your selection to view your choice of device.

Operation description:

A choice can be made by pushing the selection button on the front of the switch, or by selecting the appropriate button on the remote control. An indication light will burn for selected input channel.

Connections:

Safety precautions:

To reduce risk of electric shock, this product should ONLY be opened by an authorized technician when service is required. Disconnect the product from mains and other equipment if a problem should occur. Do not expose the product to water or moisture.

Maintenance:

Clean only with a dry cloth. Do not use cleaning solvents or abrasives.

Warranty:

No guarantee or liability can be accepted for any changes and modifications of the product or damage caused due to incorrect use of this product.

General:

Designs and specifications are subject to change without notice.

All logos brands and product names are trademarks or registered trademarks of their respective holders and are hereby recognized as such.

Keep this manual and packaging for future reference.

Attention:

This product is marked with this symbol. It means that used electrical and electronic products should not be mixed with general household waste. There is a separate collections system for these products.
