Waterproof

This external case for a 2.5" SATA hard disk or SSD (maximum 9.5 mm height) protects data against dust and water jets (IP protection class 66). For users who are outside quite often but who don't want to be without their memory capacity, this case is a perfect solution! The modern USB 3.0 connection provides for a rapid data transfer between terminal and drive with a speed of up to 5 Gbit/s.
