

ICY BOX IB-AC652

Internal Mounting frame for
2.5"/3.5" HDD/SSD in a 5.25" Bay

Key features

- Fits into a standard 5.25" drive bay
- Supports 4x 2.5" HDD/SSD or 2x 2.5" + 1x 3.5" HDD/SSD
- Metal material helps to release the heat of HDDs/SSDs

Packing content

IB-AC652, screw set, manual

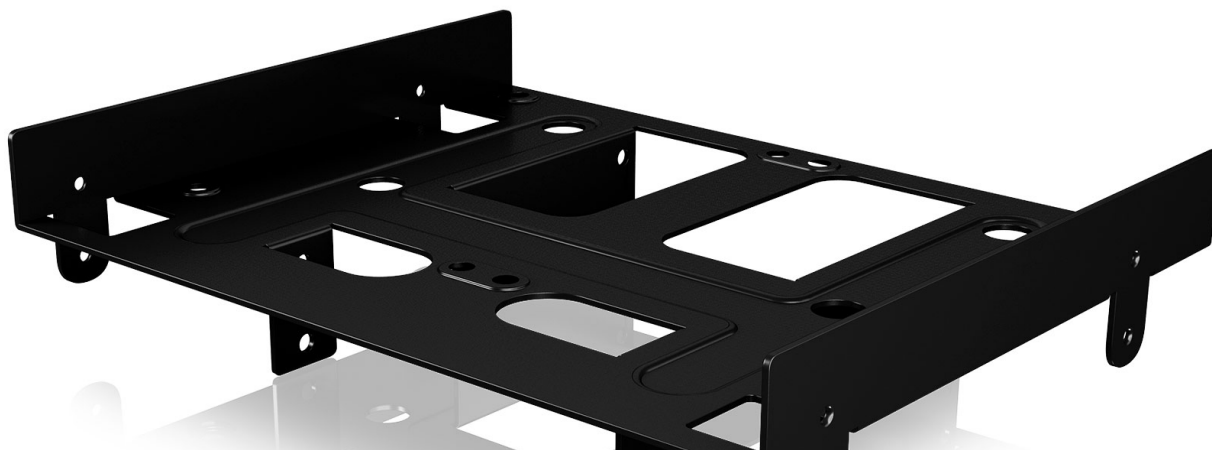

With minimal effort

If you computer with the capacity and speed of up to four 2.5" SSDs or a combination of 2.5" and 3.5" storage media but don't want to buy a complicated combination of enclosures for several HDDs and SSDs, this product is the perfect solution.

Technical data

Model	IB-AC652
Article No.	60253
EAN code	4250078165835
Brand	ICY BOX
Colour	Black
Material	Steel
HDD/SSD Mounting	Supports 4x 2.5" HDD/SSD or 2x 2.5" + 1x 3.5" HDD/SSD
Required space	1x 5.25"

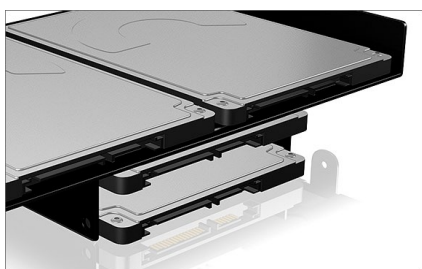

ICY BOX **IB-AC652**

Internal Mounting frame for 2.5"/3.5" HDD/SSD in a 5.25" Bay

When the new technology takes its toll

And you have particularly high demands on capacity and speed then the IB-AC652 could be helpful. The practical metal frame ensures the proper storage of four 2.5" HDDs or SSDs and requires only a free 5.25" bay.

Optimum storage

One of the main reasons for a lifetime shortening of hard disks is a strong heat exposure. This compact mounting frame protects in two ways: it is made of a heat-dissipating solid metal and leaves enough space for air circulation around the installed hard disks.

Small and large

Alternatively, the IB-AC652 can be used with a 3.5" HDD but only two instead of normally four 2.5" HDD/SSD slots are available.

Logistical data

Packing unit: 40 pcs./carton
Total weight: 8.8 kg/carton
Gross weight: (with packing): 0.203 kg
Net weight: 0.152 kg

Dimension/carton: 450x330x265 mm
Dimension (with packing): 155x123x40 mm
Dimension of article: 145x115x35 mm
Country of origin: China
