

## ICY BOX IB-HUB1405

### 4 Port USB 3.0 Hub and Charger

#### Key features

- 4x USB 3.0 Type-A
- On/Off Switch for every port
- All USB ports comply with USB battery charging specification (BC 1.2)
- Incl. 5 V / 4 A power adapter
- Premium aluminium housing
- HotSwap and Plug & Play
- Transfer rate up to 5 Gbit/s

#### Packing content

1x IB-Hub1405, 1x USB 3.0 Type-B to Type-A cable,  
1x Wall power supply, 1x Quick installation guide

### Hub-powered

Thanks to the USB 3.0 interface the USB hub can achieve a bandwidth of up to 5 Gbit/s. All ports can be switched on and off individually without interrupting the function of the other ports. Using a 5 V power supply you can let the hub operate as an active charging device. The USB ports (5 V / 2.4 A) meet the new USB battery charging specification (BC 1.2) and it can charge all the corresponding mobile devices.

#### Technical data

<b>Model</b>	IB-Hub1405
<b>Article No.</b>	60153
<b>EAN code</b>	4250078164883
<b>Brand</b>	ICY BOX
<b>Colour</b>	Anthracite
<b>Material</b>	Aluminium
<b>Interface to PC</b>	1x USB 3.0 Type-B to Type-A host

<b>Interface to devices</b>	4x USB 3.0 Type-A, all ports support BC 1.2 charging specifications up to 5 V / 2.4 A
<b>HotSwap</b>	Yes
<b>Plug &amp; Play</b>	Yes
<b>Transfer rate</b>	Up to 5 Gbit/s
<b>LED</b>	Power and Access
<b>Power connector</b>	100 - 240 V to 5 V / 4 A
<b>System requirements</b>	Windows 7 / 8 / 10; MAC OS; Linux

## ICY BOX **IB-HUB1405** 4 Port USB 3.0 Hub and Charger

### Quadruple performance

If all USB 3.0 ports are occupied, but you need the data from the USB stick urgently, this candidate could be very helpful. A USB 3.0 port on your computer is expanded into four additional USB ports and they can be placed in more accessible locations, like your desk. Furthermore, all USB ports comply with the battery charging specification (BC 1.2) to quickly recharge mobile devices.

### Quadruple saving

All ports can be switched on and off individually during operation without interrupting the function of the other ports. As a result, a considerable amount of electricity can be saved in the long term.

### Really friendly

Due to the use of aluminium as a light, good-looking material, the IB-HUB1405 is always nice to look at and at the same time robust enough, if something goes rough.

#### Logistical data

**Packing unit:** 30 pcs./carton  
**Total weight:** 14.0 kg/carton  
**Gross weight:** (with packing): 0.433 kg  
**Net weight:** 0.236 kg

**Dimension/carton:** 423x380x340 mm  
**Dimension (with packing):** 72x103x200 mm  
**Dimension of article:** 60x115x23 mm  
**Country of origin:** China
