

THE ORIGINAL
SKROSS® BUZZ cables

CHARGE AND SYNC
ALARM CABLE

BUZZ 2in1 Micro USB & Lightning Connector

Charge and synchronise your devices with Micro USB or Lightning Connector. Apple certified.

BUZZ Lightning Connector

Charge and synchronise your devices with Lightning Connector. Apple certified.

BUZZ Micro USB

Charge and synchronise your devices with Micro USB connector.

REMINDER FUNCTION

Thanks to the alarm you will never again forget your cable and adapter at the hotel.

THEFT PROTECTION

Never again you will keep an eye on your smartphone nervously, when you have to charge it in public areas. The BUZZ cable will sound if the connection is broken

FIRE PREVENTION

USB chargers must not be connected permanently – it may result in fire due to over-heating. The alarm reminds you to also disconnect the charger after finishing the charging process.

ENVIRONMENT FRIENDLY

The alarm reminds you to take your cable with you and you will not have to buy a new one every other day. This prevents e-waste and hence protects the environment.

IDEAL FOR DEVICES WITH USB CHARGING FUNCTION

Micro USB or Lightning Connector:
Perfect with the latest Apple devices and other smartphones
