

UH-284

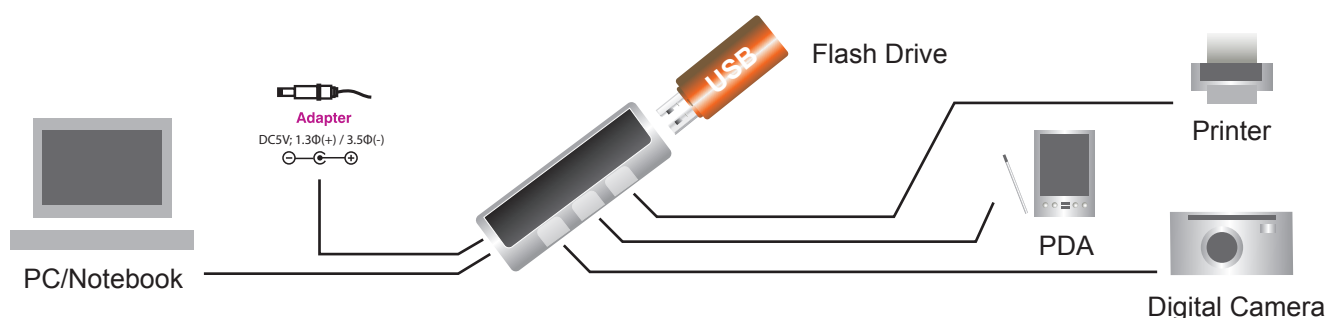

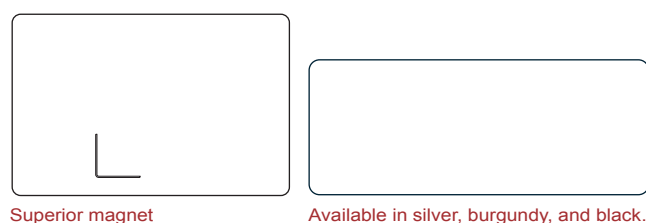

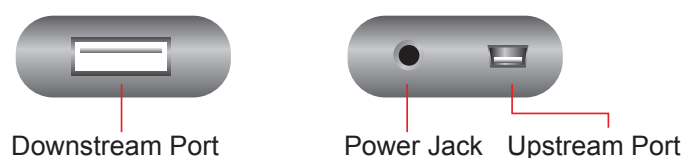

USB 2.0 Magnetic HUB

The UH-284 is the newest member of ATEN's compact and highly functional 4 port USB 2.0 hub series for the desktop or laptop. It features built-in Magnet Pads, so it can be placed almost anywhere. The UH-284 provides 4 additional USB 2.0 ports for existing USB Systems, including an easy access port on the side, which is ideal for connecting a flash drive.

Front View

Rear View

Note: Use of a power adapter (DC5V, 2.6 A) is optional, and requires a separate purchase.
