

PRF Label Off

Citrus cleaner

Technical information

Chemical substance:

butan (10-20%), propane (10-20%), naphta (30-40%),
D-limonene (30-40%)

pH: 7

Freezing point: - 10 °C

Main use: sticker and label removal

Applications

PRF Label Off is based on natural terpenes. Effective remover for stickers, labels and glue residues. Excellent cleaning agent for rubber-based scuff marks. Suitable for most painted surfaces. Citrus-odoured.

Directions

Shake before use. Spray from a distance of approximately 20cm. Soak for 1-2 minutes to dissolve and loosen the sticker or glue residue. Rub off any remaining residue.

NB! A shorter soak time is recommended for sensitive materials (varnished surfaces and plastic materials).

Ecological information

Bioaccumulation is unlikely.

Insoluble.

Product information

Net volume: 165ml/400ml

Package: Aluminium aerosol canister

Sales unit: Carton/12 cans

UFI: 5C9X-C8NV-W00M-P75P

UN number: 1950

Transport class: 2.1
