

PLAY70 product information sheet

Sit. Stand. Stretch. Play — all at the perfect angle. The ActionMount Series by OmniMount takes interactivity with your TV to the next level. Don't just sit and watch your TV — get up and interact with it! With a full range of movement, the PLAY70 allows you to interact with your TV when watching movies, gaming, exercising and more.

Product Benefits*

- Offers smooth, continuous movement of the TV in all directions
- Patented Constant Force technology enables light-touch adjustments without knobs or levers
- Gravity pivot enables tilting capabilities without the need for knobs or levers
- Extends 28" (711mm) from wall when in use and retracts 6.5" (165mm) when not in use
- Improves ergonomic viewing for TVs/displays mounted high on the wall
- Constructed from polished aluminum and black trim for maximum strength and aesthetics
- Tilt and pan for maximum viewing flexibility
- $\pm 5^\circ$ of post-installation leveling
- Cable management clips on the under side of the mount arm route and hide wires
- Includes complete hardware kit
