Product Information Sheet

MWS

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. Modular and customizable, OmniMount wall furniture offers a fresh approach to managing cables and components. MWS is a unique floating wall shelf offering a stylish look with an open area for small components, center-channels and soundbars. This do-it-yourself solution has convenient slots to route wires and includes paintable cable management covers so there's no need to run the connections through your wall.

Includes two cable management covers to hide wires from unit to wall outlet
