

Combo World to South Africa

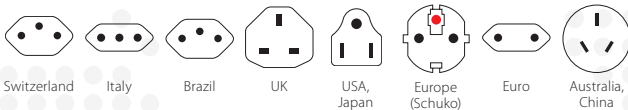

2in1 solution: South Africa and Europe – combined in a single adapter

This travel adapter ensures getting connected is easier than ever, not just in South Africa but also in all other countries with Schuko standard sockets (as predominantly found in Europe). Our SKROSS® Combo World to South Africa adapter provides global travellers with a safe, reliable and easy connection in all countries with the South African and Schuko standard, making it an ideal solution for business and leisure travellers.
