1

## Falls

- The No. 1 threat to people aged 65+!
- **25%** aged 65+ Falls more than once
- **2.8million** injuries caused by fall end up in emergency.

*This Nedis Wi-Fi Fall Detector, an intelligent and automatic fall alert system. It immediately detects falls and sends proactive alerts to provide an extra guardianship for your loved ones.*

2

## Background monitoring

24 hours full day monitoring, and prompt immediately if anyone is found to invade.

3

### No camera

Nedis Wi-Fi Fall Detector is camera-less.

It can be safely used in bathrooms and bedrooms without a breach in privacy.

4

### No wearables needed

Unlike traditional technologies like bracelets and pendants, with this Wi-Fi Fall Detector, there is no need to wear anything, no need to charge anything.

Simple by securing the Wi-Fi Fall Detector in your room, you can sit back and relax.

5
