's Hertogenbosch, November 9th 2015

Dear customer,

We are selling you the following product from the brand König:
VID-TRANS240KN

With this e-mail we inform you formally that this product contain more than 0.1 mass % of the following substance:

DEHP: Bis (2-ethylhexyl)phthalate (DEHP)

SKU	Description	% DEHP
VID-TRANS240KN	2.4GHZ DIGITAL AUDIO TRANSMITTER	0,157

This product is listed by the ECHA organization as Substance of Very High Concern (SVHC. Reach). The percentage is just a little higher than 0.1%. As such we consider the risk for the consumer as low. This should not be any bottleneck for this product to be sold.

Kind regards,

R. Robroek, Manager Quality NEDIS B.V
